Dear Sirs,

One of my correspondents, collector of War Medals, told me that lately you offered him Leroux N° 866 Upper Canada Preserved in silver if present the above medal presently in stock, and at reasonable price I would be glad to hear from you.

What have you to offer in English War Medals, a list of same would

greatly oblige, my collection amount
to above three hundred varieties.

Hoping to hear from you,

Yours,

W. Ellenger
